

# **NOTICE**

## **PERMIT FEE WAIVER FOR REMOVAL OF SUSPECTED TAINTED DRYWALL Effective September 23, 2009**

The following are the requirements for waived permit fees for tainted drywall removal:

- All fees shall be paid by the Building Department Contingency Fund.
- Payment of fees from the Building Department Contingency fund shall expire on March 30, 2010.
- Permit applicant shall provide an affidavit attesting to the existence of tainted drywall.
- This program is effective for single-family and multi-family dwelling unit types **ONLY**.
- All required building inspections will be performed by the Building Department in accordance with the Florida Building Code.
- The contractor shall supply an affidavit from a recognized testing agency or laboratory verifying that all suspected tainted drywall has been removed.
- This program is only applicable to the original owners of the affected property.
- No reimbursements will be rendered to previously issued permits for this activity prior to the effective date on this notice
