

Pardon Our Error !

**Port St. Lucie Water Bill Notice Sent Out
With Incorrect Days For Lawn Watering**

April 20, 2007

Pardon our error, but many Port St. Lucie water and sewer bills were mailed out recently with notices that gave the wrong days that even number addresses can water their grass.

The correct days are:

Even number addresses

From 4 a.m. to 8 a.m. on Tuesdays, Thursdays and Sundays.

Odd number addresses

From 4 a.m. to 8 a.m. on Mondays, Wednesdays and Saturdays.

The city apologizes for the error. For more information, call the Utility Systems Department at (772) 873-6400.
