

City of Port St. Lucie

**Help people affected
by Hurricane Harvey.**

> Donate today at redcross.org

August 31, 2017

The City has heard from residents asking how they can assist Hurricane Harvey victims in Texas. Please see the following information about ways to make a monetary donation.

This information was provided to the City from the American Red Cross.

There are three ways to donate to the American Red Cross to assist Hurricane Harvey victims:

1. Checks can be mailed to our local office at 2963 W Midway Road, Fort Pierce, FL 34981 – made out to the American Red Cross Disaster Relief (or memo stating Harvey)
2. Online donations can be made at redcross.org/donate
3. Text “Harvey” to 90999 to make a \$10 donation that will appear on your cell phone bill. Because of the overwhelming response to Hurricane Harvey, donations are taking longer than usual to process. If you'd like to join the queue to donate via text, reply CONTINUE now. It may take up to 48 hours for you to receive a prompt to confirm your \$10 donation. Alternatively, if you are eager to make a gift now, visit <http://lil.ms/1td5/3twpdz>. Reply STOP to unsubscribe, HELP for info.

Information about ways to donate to other charities in Texas that are assisting in the relief effort can be found at the National Voluntary Organizations in Disaster website:
