### ***Taste Of The Tropics Plant Sale***

Please join us at the Port St. Lucie Botanical Gardens on **Saturday – June 24<sup>th</sup>, 2017** for our annual plant sale featuring a **Taste of the Tropics**. The plant sale will begin at **9am** and run through **1pm**. In cooperation with the Treasure Coast Rare Fruit Club, the Taste Of The Tropics Plant Sale will feature free admission to the Botanical Gardens where you can explore the wonderful world of tropical fruits available on the Treasure Coast and join in the wine tasting of Rare Fruit Wines made locally. Additionally, browse the many annuals, perennials and Florida-friendly plants as well as fruit trees, shrubs, native plants, orchids, exotics, bamboo and garden related crafts that will be available from The Gardens and numerous vendors. Find what you need to make your Garden grow and talk with the experts while you tour the Gardens. Parking is free.

The Port St Lucie Botanical Gardens is a twenty acre gem, adjacent to the St Lucie River north fork on Westmoreland Boulevard near Port St. Lucie Boulevard. A serene, tranquil setting for residents and visitors alike to enjoy Florida at its best. This is a free admission event.
