HUMANA FITNESS & WELLNESS CENTER @ CIVIC CENTER

On Wednesday, November 1, 2017, from 7 a.m. to 8 a.m., FPL has notified the City that they will be testing its load management programs at the Port St. Lucie Civic Center. During this one-hour interval, the treadmills and other electronic fitness equipment in the Humana Fitness & Wellness Center, will be unavailable to members and guests. Once the test is successfully concluded at about 8 a.m., the fitness equipment can be used for normal use.

We appreciate your patience while we improve our facilities for your enjoyment. We apologize for the inconvenience and updates will be provided as they become available.
