**Player Eligibility:** Only players of eligible age, whose eligibility is determined by the Department of Parks and Recreation, shall have active participation in the program.

Birth certificates, hospital certificates, or other legal documents, which must be presented to a league official at the time of registration, shall certify date of birth of new players, or registration will not be accepted.

**Replacement of Players:** If a team loses one or more players from its roster during the current season through illness, injury, change of address or any justifiable reason, said team must request another player through an Advisory Board member or League Directors within three (3) days or less.

At the discretion of the League Directors and the Advisory Board if available, a replacement player will be assigned and considered an active member of the team. The coach cannot refuse players based on their individual assumption of ability.

The playing ability of the individual will not be considered a justifiable reason for replacement.

\*\*\*\* Once assigned a player is eligible to play in all subsequent games.

## **DRAFT RULES**

1. Draft order will be determined by Blind Draw.
2. Draft picks will be taken in this order; players will be taken in their rated order, A, B or C. First round first pick through last pick then reverse order for second round, reverse for third round until all players in their rating have been picked.
3. Players will be rated by ability by coaches and directors in specific divisions. Then progress to the next ratings of players. All A players must be drafted before a B player can be taken and B players before C, unless there is a brother option.
4. Each team will be allowed two (2) protected picks, one for the head coach and one for the assistant coach (only one assistant may have a protected pick). Coaches **DO NOT** have to pick their own child as their first "A" or "B" draft pick in any respective division. But they must be their second pick, this is in every division.
5. All brothers assigned to the same team must be drafted as a pair unless otherwise indicated. That is third and fourth, fifth and sixth, etc.
6. It will be the determination of each coach to honor requests from players to be on the same team for rides or other purposes. As this may be determined only when the players' info is given out. **This will not be used for the reason of stacking a team.** The league Directors will have the final say in this request.
6. To be eligible for the draft a player must have attended the tryout or be approved by a unanimous consent to be added to the draft due to the player's prior experience. All other players will be placed on a team by blind draw in the remaining draft order.

7. Time limit, each team will be allowed two (2) minutes per round for each selection. If a player is not selected within two minutes that team will lose their pick for that round, and will be made up at the end of the draft.
8. After all available players have been selected or placed coaches will have (10) ten minutes to make trades that will be beneficial to the player. All trades must be accepted by both coaches involved, a player may be traded only once.
9. All rosters will be final after the draft. Team with open spots will have players added by ratings on a first come basis or by the existing waiting list. They will be added to teams in the original draft order.
10. All participants that sign up and are on the waiting list will be asked to attend the draft and be rated. These participants will then be placed in their specific groupings. i.e.: A, B or C. When a team loses a player for whatever reason a participant of the same player ability will replace him. No coach may bring a player in from the outside that he has recruited. The player must come from the waiting list only.
- \*\*\*  
11. NO PLAYER MAY BE ADDED TO A ROSTER AFTER MID-POINT OF THE SEASON HAS BEEN REACHED FIVE GAMES (5). TEAMS WILL STAY AS IS UNTIL THE COMPLETION OF THE SEASON.

### **SUPPLEMENTAL PLAYING RULES**

**IF NOT SPECIFIED IN THE SUPPLEMENTAL RULES LEAGUE PLAY WILL BE GOVERNED BY THE FLORIDA HIGH SCHOOL (FHSAA) RULES.**

1. Length of games will be four quarters, eight (8) minutes for peewee and lower division (the clock will run continuously for the first six (6) minutes of each quarter) Middle Divisions nine (9) and seven (7), and Upper and Varsity Division ten (10) and eight (8). The final two (2) minutes for each division the clock will stop at all dead balls.
2. There will be overtime periods if the game ends in a tie only in the playoffs. This overtime will be two (2) minutes in duration. If the score ends in a tie at the end of the first overtime period, the game will end in a tie, during the regular season only.
3. Each team will be allotted Three Full time outs (45 sec. and Two (2) 30 second time outs per game, to be used at any time during the game. Time outs not used during the regular game cannot be carried over to the overtime periods. Each team will receive one Full timeout for OT.
4. **Mandatory Playing Time: Boys & Girl's Lower Divisions**
  - a. Each player must participate in two (2) full quarters of play. THIS IS MADATORY! THIS MEANS IF A CHILD STARTS THE QUARTER HE MUST FINISH THE QUARTER. THE EXCEPTIONS WILL BE HE/SHE CANNOT PHYSICALLY ACCOMPLISH THIS OR AN INJURY OCCURS. This can not be manipulated as to use one player to play his 2 quarters in the same half. This must be split between halves.

- b. This league is for child development, and this aspect is important, so that all children receive playing time. If a child has not attended practices, the parent and coach must bring this to the League Director's attention before the start of a game and all should be in agreement that the child's playing time should be altered. No player may play in all four quarters when there are seven or more players present for both teams at any game.

For better clarification those children that start the first and third periods must play those entire quarters. Those players that sat the 1<sup>st</sup> and 3rd quarters must play the entire 2<sup>nd</sup> and 4<sup>th</sup> respectively.

\*\*\*\*

For the rule that says no player may play in all four quarters when there are seven or more players' present, means that the children in question that have played almost the entire game must sit for a minimum of four (4) minutes during the game, and then they can resume playing. (This is for the Boy's/Girl's Peewee & Lower Divisions Only) Middle, Upper and Varsity may substitute whenever they choose as long as each player gets their required playing time.) This will be monitored by staff and coaches'.

5. **Player/Coach Conduct:**

- f. A coach suspended from a game will not be permitted on the bench during the suspension and must refrain from any coaching responsibilities including practices until the following game.
- g. A player suspended from a game must serve his/her suspension on the bench not in uniform, or suspension will not be lifted.

**6. FOUL LIMITS:**

- a. **Peewee and Lower Divisions each player is allowed 6 fouls per game but not more than 4 fouls per half of play after which the player will be suspended from play for the remainder of the half, which ever is applicable. If a team has less than 5 players eligible to play due to being suspended for fouls the last player to be suspended may remain on the floor (unless ejected for other reasons). Any subsequent fouls on the suspended will result in two (2) free throws and possession of the ball.**
- b. **If the last player suspended is fouled by the opposing team, they may not shoot their fouls; a player designated by the team's coach who is on the floor will shoot the fouls.**
- \*\*\*\* d. **If a player has received three fouls in the first quarter, in which he cannot be substituted for. At the coach's discretion he may be removed from play. This is for Peewee & Lower Divisions only.**
- e. **Middle, Upper and Varsity Divisions will follow FHSAA guidelines 5 fouls per game and the above stated policy for less than 5 players.**

- g. **In the Peewee Division only each player present at the beginning of the game will shoot one free throw, successful free throws will count in the game score. - h. **Peewee Division baskets will be set at 9 feet, Lower, Middle and Upper will be set at regulation height.**
- i. **Point caps for Peewee Division, is set at 15 point maximum for any individual player. In the Lower Division the cap limit is set at 20 points, Middle Division cap will be set at 25 points. When a player reaches his /her cap they may remain in the game. If a player is one point within their cap and they score a 2 or 3 point that shot will count on their scoring and the team score. If a player has reached his/her cap and is still in the game and is fouled, the coach will designate another player to shoot the foul shots. This rule is to advocate team play therefore it is suggested that the player who reaches their point capacity be used as a passer or that other players be allowed to gain more experience.**
- j. **Sportsmanship before and after the game must be displayed. Any player being disrespectful (i.e.: talking trash) will be subject to league disciplinary guidelines. Your actions before or after any league function, games or practices will be subject to league policy.**

  - l. It is the coach's responsibility to make parents aware of the rules, and that their conduct is as much an apart of the game as is the game itself.
  - m. It is the responsibility of the coach and the player to make sure they're properly dressed for all games, with the team jersey on and shirttail tucked in. Should a player attend a game and attempt to play out of uniform, there will be a uniform technical assessed to that individual and the team.
  - n. If a team is unable to field an entire squad of five players, the opposing team will play with the same amount during the regular season NOT post season games.
  - o. For all PeeWee, Lower and Division teams, there will be no substitutions during the first and third periods. Players that have not played the first & third periods must play the entire second and fourth periods respectively.
6. The players that have already played the first and third may be substituted in rotation so that all players get an equal amount of playing time. This is to assure League staff that all players are participating in the minimum.
- \*\*\*\* A pool of players will be established for when a team is in jeopardy of not having enough players to field a complete team. These players will be chosen by the coaches, and will be used from the next lower age division. This list will be given to each coach so they may facilitate the acquisition of a player in time for their next game. These pool players will be for regular season only NOT FOR PLAYOFFS.

**CITY OF PORT ST. LUCIE  
DEPARTMENT OF PARKS AND RECREATION  
JUNIOR BASKETBALL LEAGUE  
BREACH OF PLAYER CODE OF ETHICS**

The Supplemental Playing Rules section five(5) located in the City of Port St. Lucie Parks & Recreation Department Junior Basketball Rule Book if not specified or governed by the Florida High School Athletic Association (FHSSA). Violation of these rules will be constituted in the following manner:

**First Offense** – a written/verbal warning or suspension if warranted under City of Port St. Lucie Junior Basketball & FHSSA rules and guidelines.

**Second Offense** – Suspension of game/games depending on the severity of the offense contained with the City of Port St. Lucie Junior Basketball & FHSSA rules and guidelines.

**Third Offense** – Suspension from current league for the remainder of the season, and have a formal review with the Advisory Board to determine any further consequences or participation in League activities.

\*\*\*\* Any player that is involved in a suspension from the league may request an appeal. In order to request an appeal the player has 48 hours to submit a letter to the League Director requesting a meeting for appeal. The Recreation Manager/Supervisor will determine if the suspension needs further consideration upon reading the letter. If the appeal has merit, an Advisory Board meeting will be convened to hear the appeal within a week of the dated appeal letter.

\*\*\*\* Note that all warnings and/or suspensions will be done in writing and approved by the Administrator, Supervisor and Manager of the Facility or Program.

No basketballs may be brought into the gymnasium on game or practice nights/days except city issued balls.

All rules contained herein are subject to interpretation and/or change, upon the recommendation of the Basketball Advisory Committee and with the approval of the Department of Parks and Recreation.

As stated on the front of the registration packet, children that will be playing on Travel teams will not be permitted to participate in this season's league. Individuals may be permitted depending on their game schedule. Should they be missing any more than 25% of their games or practices due to conflict they will not be permitted to play in this league. The reason for this is that those individuals are usually the better players, which would be considered an "A" player in our draft. It is not fair to the remainder of the team to have their "A" player not attend practices and games and leave the team without their "A" pick.

It is our attempt, to have all children enjoy this experience in a fun, safe and fair environment in which to play the game of basketball. All persons that volunteered their time, have the great appreciation of all City employees, and are an extension of those employees and should at all times conduct themselves in a respectful manner.

At all times the League Administrators, coaches and officials attempt to be as fair as possible. At times there are extenuating circumstances that must be reviewed on an individual basis, and decisions are based on the individual cases. By no means does this imply that League Administrators are being biased, or treating any one individual/s unfairly. It has always been our mission to run a fair league and treat all involved with respect.
