

QUICK GUIDE

Hurricane & Storm Recovery PERMITS

Permit required

If your repairs involve major systems or structural elements, you'll need a permit.

- Roof replacement or major repairs
- Structural repairs
- Electrical service restoration
- HVAC replacement
- Window/Door replacement
- Water heater replacement
- Screen enclosures
- Proof of ownership is required (e.g., warranty deed, homestead exemption)

No permit needed

Fix it fast!

These minor repairs can be done without a permit, so you can get back to normal quicker

- Fence repair
- Temporary roof tarping
- Debris removal
- Cosmetic fixes (paint, carpet)
- Drywall work
- Glass panel replacement
- Screen-only replacement
