Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	<u>In-Network: \$750 Per Person/\$2,250 Family. Out-of-Network: \$1,500 Per Person/\$4,500 Family.</u>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own <u>individual deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. <u>Preventive care.</u>	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	<u>In-Network: \$3,000 Per Person/\$9,000 Family. Out-Of-Network: \$6,000 Per Person/\$18,000 Family.</u>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premium</u> , <u>balance-billed</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="https://providersearch.floridablue.com/orprovidersearch/pub/index.htm">https://providersearch.floridablue.com/orprovidersearch/pub/index.htm</a> or call 1-800-352-2583 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

These employees will receive anywhere from \$25 to \$500 based on the wellness targets they achieved during the plan year 10/1/25 through 9/30/26. HRA monies are funded by the City and can be used for any qualified medical, dental, vision and hearing expense that is incurred.

**How does it work?** – When you incur an eligible expense, you can pay the charge with your HRA debit card instead of paying out of pocket and submitting for reimbursement. You can utilize your debit card at health care providers and pharmacies that are providers of qualified medical services and accept debit MasterCard.

If your provider or merchant does not accept MasterCard debit cards or you choose not to use it, you will need to pay for your expenses and submit a request for reimbursement. Make sure when you submit your reimbursement form you supply the appropriate documentation such as an Explanation of Benefits (EOB) and receipt of payment for the services rendered.
