Previously reserved and/or allocated capacity for the property run with the land. When title to real property that is located within the City's utility service area is transferred, sold, or otherwise conveyed, the capacity is also transferred. The City has the right to review and monitor Applicants actual usage of the water/wastewater services.

By signing below, the undersigned authorizes, confirms and agrees to pay any and all fees due to the City, and said fees must be paid prior to implementation of new service and/or allocation, and before any refund or credit may be applied to the applicable Project Account(s) with Utilities Customer/Billing Department.
