Grant funding may be available:

Grants are awarded on first-come, first-served basis. Funding is limited. Different types of funding may be available at different times depending on grant programs. Call the Connection Support Office in City Hall at 772-873-6400 to determine if you are eligible for a grant.

What you should know:

- In some cases, applicants/households may receive a grant for up to 50% of the cost of connection.
- If a residential property owner does not qualify for a partial grant, 10-year interest-free financing is available, for all or a portion of the cost.

If you are interested in applying for a grant, you will have to fill out an application form, provide supporting documentation and go through a verification process in order to determine eligibility.
