CITYOFPSL.COM/CODECOMPLIANCE

POLLING LOCATION EXAMPLE:  
PORT ST. LUCIE COMMUNITY CENTER

DURING EARLY VOTING PERIOD & ELECTION DAY

## SIGNS

- Signs are permitted to be placed in the ground on City property only within the marked Expressive Sign Area. Any sign placed in the Expressive Sign Area must not exceed 4 square feet, must be less than 36 inches in height, and may only be a standard h-frame yard sign.
- The City prohibits signs placed in the right-of-way of any street or roadway. The "right-of-way" is the area directly parallel to a road or street pavement edge and the property line of the adjacent property. Signs placed in the right-of-way will be removed and discarded by City staff as trash/litter.
- Citizens may hold signs by hand in the right-of-way, however at no time may the sign holder or sign create a traffic hazard. Sign holding may not interfere with or obstruct free and clear vision for pedestrians or vehicle movement.

## VEHICLES

- Overnight parking is prohibited. Parking violations will be enforced as such. Residents are hereby directed to follow all posted signage for parking at each designated polling site.
- Per City Ordinance Sec. 155.05(K): Signs are prohibited from being placed on trailers.
- Per City Ordinance Sec. 155.05(O): Any sign which extends from, attaches to, or adds to the original body of a vehicle is prohibited.

## SHADE STRUCTURES

- Spaces for personal shade structures in expressive activity areas are available on a first come first served basis. Each user will be allotted one 13x13 foot plot in order to accommodate personal shade structures that do not exceed 10x10 feet.
- Shade structures may be erected during Early Voting periods, Primary Election day, and General Election day from 6 AM until 7 p.m. For safety and security reasons, shade structures must be removed each evening and taken off the property.
- Shade structures are prohibited from being staked into the ground to prevent pipeline and irrigation issues. Sandbags and other weighted materials that do not penetrate the ground are allowed.
- Personal shade structure users must follow posted "Rules for Use" established by the City. This includes social distancing requirements set forth by the facility.
- Equipment requiring electrical hook ups and portable generators are strictly prohibited.
- The Supervisor of Elections is authorized to use shade structures at City-owned polling sites when necessary and only for the performance of his or her public duties.

## NO SOLICITATION ZONES

- No person shall solicit within 150 feet of an entrance to any polling place. See graphic above for areas of no solicitation which are circled in yellow.
- As a result of Senate Bill 90, revisions were made to expand the 150 feet no-solicitation zone to include the area around all Secure Ballot Drop Boxes.
