Port St. Lucie Police Department urges everyone to report crimes when you see them, instead of posting them on social media.

When to call the non-emergency 24/7 hotline 772-871-5001 or file a police report on-line at CityofPSL.com/PoliceReport

- A non-violent crime was committed
- You have a crime tip to provide
- The incident involves lost property less than $1,000 in value
- You do not require an officer
- You do not have suspect information

When to call 911

- A crime is in progress
- Someone is hurt, threatened
- Incident involves identity theft
- A weapon (gun, knife, etc.) was used or threatened
- You have any physical evidence related to the crime
- Someone was injured as a result of this crime or incident
- Incident involves lost or stolen property worth more than $1000
- The crime involved the use or threat of a weapon (gun, knife or other)
- The crime involved the theft of a motor vehicle (automobile, motorcycle, etc.)
- You know or have information about the person, even if vague, who might have committed the crime, (description, name, license number, etc.)
- The crime occurred when someone entered your locked or unlocked home, vehicle, screened in porch, garage or business without your permission
