Questions and Answer Session

Please fill out a speaker card to ask questions during the presentation. Staff will be available to supply cards and they are also located at the entrance table as you walk into the meeting. Your name will be called in the order the cards are received and you will be asked to speak into the microphone from the podium. Comment forms are also available in your bags and at the front of the room should you prefer written comments.

The project team will be available following the presentation to help answer questions.

The meeting tonight is being recorded and will be available to watch on PSLTV, which airs on Channel 20 on Comcast and Channel 99 on U-verse.
